### Note:

These industrial helmets comply with the applicable health and safety requirements of the PPE Regulation 2016/425. The certificate holder is responsible for ensuring that the Notified body is advised of changes to any aspect of the overall process utilised in the manufacture of the product, failure to do so could invalidate the certificate in the respect of product manufactured following the introduction of such changes.

### Monitoring of manufactured PPE.

The validity of the certificate is also dependent on the maintenance of the EU quality of production by monitoring system, PPE Module C2, as reference on BSI certificate CE 629299.
